GAEDINGUR BRYGUS

Iceland

The original brewery is located in the small town of in Skagafjordur /North Iceland. This place is now used for one-off beers, sours, barrel aged etc. Recently a new 20 HL Brewery in Suburban Reykjavik (Kopavogur), with a Tap room (Microbar&Brugg) was opened and raises the production capacity. It houses 6 fermenters and we are able to produces beers go for both kegs and cans.

Timeless Rider - Session IPA

Timeless Rider is our Session IPA. Here, the goal is a classical session IPA; not hazy, not sweet, but just fresh and floral with a support of some bitterness. This we managed with a traditional Session IPA brewing, dry hopped with Simcoe and Citra.
